- Wet suits are 3mm-thick Farmer John neoprene with nylon paddle jacket.
- Wet suits should be worn over bathing suit, lightweight non-cotton shorts or polypropylene long underwear.
- Baggy shorts should be worn over wet suit to reduce slipping on raft.
- Wet suits do not include booties. Tennis shoes with thick wool or polypropylene socks are recommended.
- Please note that wearing any cotton with your wet suit will make you colder.
- A hat is recommended during cool weather—either wool or an alternate insulating material.
