* There is no charge for wet suits on Class V trips or Kings River trips.

If you have your own wet suit you are welcome to use it. Voyages’ wet suits are 3mm-thick Farmer John neoprene with nylon paddling jacket. Wet suits should be worn over bathing suit, lightweight non-cotton shorts or polypropylene long underwear. We recommend wearing baggy shorts over your wet suit to reduce slipping on raft. Wet suit rentals do not include booties. We recommend wearing tennis shoes with thick wool or polypropylene socks. Water-sock type slippers do not provide adequate protection.

Please note that wearing any cotton with your wet suit will make you colder. A hat is recommended during cool weather—either wool or an alternate insulating material.
