WHAT TO BRING FOR RAFTING

ESSENTIALS

- Clothing appropriate to season and weather
  
  See guidelines below for summer and spring/fall trips

- Sunscreen
  
  Plan to use plenty of sun protection cream with a high SPF# on exposed skin;
  
  Don’t put sunscreen on your forehead…splashes of water will wash it down into your eyes!

- Secure head strap for eyeglasses or sunglasses & secure chin strap for hat or visor
  
  Sold at meeting site for Kern and American River trips.

- Personal water bottle
  
  Gallon water jugs are on rafts from which your bottle may be replenished.

- Magnetic hide-a-key for car keys…do not take your keys on the river with you!
  
  If you wish you may leave your keys in the care of our staff while you are on the river.

OPTIONAL

- Waterproof or disposable camera

CLOTHING GUIDELINES

- Change of clothes for the drive home

Summer

- Swim suit or shorts

- Protective footwear
  
  Tennis shoes that lace tightly, wet suit booties, or rugged, protective sandals that securely strap on. Bare feet, flip flops and thongs are not safe or permissible.

- Sun hat or visor
  
  With chin strap to prevent hat loss.

Spring & Fall

- Warm clothing
  
  Plenty of warm clothes made of synchilla, polarplus, wool, fleece, capilene and similar materials which insulate well even when damp. Please avoid wearing cotton which when wet does not provide insulation and in cool or cold weather make you colder!

- Waterproof paddle jacket, windbreaker or rain suit.

- Hat
  
  Wool or an alternate insulating material such as Synchilla, Polarplus, etc. In cold weather, warm wool socks should be worn with your protective footwear.

- Protective footwear
  
  Tennis shoes that lace tightly, wet suit booties, or rugged, protective sandals that securely strap on. Bare feet, flip flops and thongs are not safe or permissible. In cold weather, warm wool socks should be worn.

- Wet suit
  
  Provided by Whitewater Voyages, whenever needed, on a complimentary basis. Wet suits do not include booties or footwear. Clients must provide own footwear.

MEDICAL CONDITION ALERT

Bring your own medication…

Our staff is prepared to provide basic first aid, but we are prohibited by law from providing, and we are not trained, to administer medications or advanced medical care. So, all clients with medical conditions such as susceptibility to anaphylactic shock from bee stings, allergies, etc., should bring, keep handy, and inform their guide(s) about their medication/anaphylactic kit.
WHAT TO BRING FOR OVERNIGHT TRIPS

ESSENTIAL GEAR

- Flashlight
- Personal toiletries & toothbrush (biodegradable soaps/shampoos if possible)
- Insect Repellant
- Towel
- Clothes for camping and sleeping (keep in mind cool evening air)
- Shoes & socks appropriate for hiking or loafing around
- Tent (or tarp to lay on ground if you don’t bring tent)
- Sleeping bag and pad

Logistics for certain rivers make it possible for you to bring any desired gear, while logistics on other rivers require that gear be kept to a minimum…

Please locate your river in the following sections for gear limitations that apply.

GEAR NOT LIMITED: Lower Kern, Kings, South Fork American

Your camping gear is either transported to camp by a Whitewater Voyages’ vehicle, or you park in reasonable proximity to your campsite allowing you to carry whatever gear you wish to your campsite… therefore you may bring optional items such as those listed below.

- Folding camp chairs
- Personal ice chest
  We supply meals and beverages with your trip, however, if you would like to ensure that any personal tastes or needs you have are met you are welcome to bring along any food or beverage items you wish.
- Fishing gear
  Light fly or spinning gear which disassembles into a compact protective case is best.
  Fishing licenses are required.
- Playing cards, small games or a guitar

GEAR LIMITED: Middle Fork American, Tuolumne

Your camping gear is transported to camp by boat thus it is important to keep gear to a comfortable minimum and closely tied to the outlined essential gear list.

ESSENTIAL GEAR ONLY: Forks of the Kern

- You backpack in three miles while your gear is transported by mule pack train…it is important to keep gear to essentials.

Note: Compact fishing gear is ok.
