KINGS RIVER

DIRECTIONS TO MEETING SITE

Please DO NOT GPS directions—you will end up in the wrong place.
It is crucial that you follow the directions exactly as outlined below.

Whitewater Voyages’ base camp for the Kings River is remote and nearly 20 miles from the nearest source for gas, ice or pay phone.

Be prepared to drive seemingly endless curves around Pine Flat Reservoir into the beautiful Kings Canyon

PART A
From North of Fresno
1. Highway 99 South
2. Exit onto 180 East / Kings Canyon -- drive 4 ½ miles on 180 East
3. Exit onto Chestnut – turn right and go ¼ mile
4. Left onto Belmont – drive approximately 10 miles at which point Belmont intersects with Academy Avenue
5. See “Part B” below

From South of Fresno
1. Highway 99 North
2. Exit Kingsburg / Sanger (which reads “Pine Flat Lake, Huntington Lake, Net Right, Hospital”)
3. Right onto Mendocino (in town called “18th Avenue) – drive 8 ½ miles – passing through the towns of Kingsburg and Parlier
4. Left onto Adams Avenue – drive ½ mile to Academy Avenue
5. Right onto Academy Avenue – drive 7 ½ miles to Belmont
6. Right onto Belmont
7. See “Part B” below

PART B
Belmont turns into Trimmer Springs Road shortly after the intersection of Belmont & Academy. From the intersection of Belmont & Academy you will drive 42 miles on Trimmer Springs Road to the meeting site. It is helpful to set your odometer to zero at Belmont & Academy and mark your progress…these are approximate (we have found variance in odometer readings when driving different vehicles…)

a. At 13 miles you will pass through the small community of Piedra
b. At 26 miles you will pass through Trimmer (last available phone)
c. At 33 miles you will cross Big Creek Bridge at which point the paved road makes an abrupt right turn (if you find yourself on a dirt road you’ve missed the turn.) You’re getting close when you pass a power station on the right hand side
d. At 42 miles you will pass Kirch Flat Campground—shortly after, veer to the right and cross the Kings River Bridge
e. After crossing the bridge follow the left fork of the road and drive ¼ mile—look for Whitewater Voyages’ parking lot signs on the right and our base camp on the left

If you are beach camping with Whitewater Voyages please note that the area is not well-shaded and restroom facilities fairly...
A true California classic, the wonderful class III-III+ Kings River is the largest river of the Sierra. With a season which generally extends into late July or early August, the Kings is famous for its long, exhilarating yet forgiving rapids. During the high water typical of late May and early June, wave trains with waves as high as 10 feet provide thrilling roller coaster rides. Before and after high water, the Kings is an idyllic whitewater wonderland with over 40 rapids perfect for first-timers, families, and people of all ages from 7 to 77. A river of pure fun without the anxiety that sometimes accompanies tougher runs!

Just upstream from our run, the Kings moves through magnificent Kings Canyon. With a depth of over 5,000 feet——four hundred feet deeper than Grand Canyon——this colossal defile is the second deepest canyon in the entire United States. Located east of Fresno in Sierra and Sequoia National Forests, the Kings is centrally located and equally accessible from the Los Angeles and San Francisco areas——and just 200 miles from San Jose! By the way, as well as fabulously fun whitewater, our two-day Kings trips include four delicious meals, happy hour, drinks and hors d’oeuvres, scintillating campfire entertainment, plus the full run of our beautiful sandy-beach base camp right on the majestic Kings River.

WHITewater VOYAGES  
ASSUmPTION Of RISK AGREEMENT

In consideration of the services of Whitewater Voyages, their officers, agents, employees and stockholders, and all other persons or entities associated with those businesses (hereinafter collectively referred to as "Whitewater Voyages"), I agree as follows:

Although Whitewater Voyages has taken reasonable steps to provide you with appropriate equipment and skilled guides so you can enjoy an activity for which you may not be skilled, we wish to remind you this activity is not without risk. Certain risks cannot be eliminated without destroying unique character of this activity. The same elements that contribute to the unique character of this activity can be causes of loss or damage to your equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. We do not want to frighten you or reduce your enthusiasm for this activity, but we do think it is important for you to know in advance what to expect and to be informed of the inherent risks. The following describes some, but not all, of those risks.

1. Whitewater rapids will be encountered. You can be jolted, jarred, bounced, thrown to and from, and otherwise shaken about during rides through some of these rapids. It is possible that you could be injured if you come in contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft.

2. Boats could turn over or you could be "washed" overboard as a result of unexpected wave action or your guide's misjudgment of the rapid or the terrain. This could result in: mental anguish or trauma; injuries sustained from the raft and its supplies and/or equipment, or from items in the river bed; prolonged exposure to cold water (hypothermia) leading to impaired health or, in extreme cases, death. Accidental drowning is also a possibility.

3. Accidents can occur off river. You can slip or fall during a hike, resulting in damage to equipment or personal injury.

4. Accidents can occur getting on and off the raft. Rafts are slippery when wet. You might slip and fall, in which case you might damage or lose equipment you are carrying (such as camera, canteen or day pack), or you might injure yourself by falling against some object in or on the boat or on shore. Rafts may drift a distance from the shoreline when you are trying to climb on or off. You might fall in the river, or drop equipment in the river. You can be injured when helping to lift or carry the raft.

5. Exposure to the natural elements can be uncomfortable and/or harmful. You should be aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, and heat cramps.

I am aware that whitewater rafting entails risks of injury or death to myself. I understand the description of these risks is not complete and that other unknown or unanticipated risks may result in injury or death. I agree to assume responsibility for the risks identified herein and other risks inherent to the activity of a whitewater river trip. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of the risks.

I certify that I am fully capable of participating in this activity. Therefore, I assume full responsibility for myself, including my minor children, for bodily injury, death and loss of personal property and expenses thereof as a result of those inherent risks and dangers and of my negligence in participating in this activity.

I have read, understood and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon myself, my heirs, assigns, personal representative and estate for all members of my family, including any minors accompanying me. I acknowledge I am not relying on any oral, written or visual representations or statements made by Whitewater Voyages including those made in its brochures or other promotional material, to induce me to go on this whitewater rafting adventure.

Photographic Release: Whitewater Voyages reserves the right to take photographic or film records of any Whitewater Voyages tour, program, or river trip, and each trip member hereby agrees that Whitewater Voyages may use such photographic or film records for promotional and/or commercial purposes.

The Venue of any dispute that may arise out of this agreement or otherwise between the parties to which WHITElater VOYAGES or its agents is a party shall be either the town of El Sobrante, California, Justice Court or the County or State Supreme Court in Contra Costa County.

Present this form at the river. Please print clearly.

RVE 2013
Dear Patrons,

For those of you who have rafted with us in past years we extend a huge, warm “Thank You!”

To those rafting with us for the first time we say “Welcome!” We greatly appreciate the opportunity to serve you and hope that your trip is a wonderful and memorable experience.

We want to highlight a policy change that occurred in the 2010 season and that has been carried forward. Some clients will applaud the policy while some will not…but for reasons pertaining to liability, client safety and employee welfare, Whitewater Voyages no longer provides alcoholic beverages at happy hour or dinner.

We do not prohibit alcohol—clients may furnish their own alcohol for personal consumption. We ask that alcohol consumption be limited to off-the-water time at the conclusion of the rafting day. As has always been our policy, alcohol is strictly forbidden while rafting or engaged in any river activity. While permitting clients to bring beverages that suit their personal preference, we do ask that a sense of moderation prevail—especially in the presence of minors.

It is our goal to provide a fun, uplifting atmosphere for all—with safety our highest concern. We hope you understand and appreciate this policy…if you wish to discuss this policy please don’t hesitate to contact us at 800-400-7238.

Whitewater Voyages’ Staff
CANCELLATION POLICY - 2013

Please understand that when a reservation is made and confirmed with a deposit it becomes an assured/guaranteed reservation...Whitewater Voyages is committing to hold space for you and remove that space from the market. If you decide to cancel, it can be difficult for us to rebook the space—especially in the case of cancellations that occur close to the reserved trip date. With this in mind, we must firmly adhere to the following policy:

- **No-Show/Late Arrivals**
  No refunds or trip credits will be given for "no-show" or late-arriving guests that miss the trip departure—in such cases all monies paid to Whitewater Voyages are forfeited.

- **According to the time frame in which you cancel, a cancellation fee will be assessed** and the remaining balance of monies paid toward the cancelled space will be issued either as a refund or trip credit (trip credits are good towards a future Whitewater Voyages trip):
  
  - Cancellation occurs 10 or fewer days prior to trip date
    50% Cancellation Fee, 50% Trip Credit
  
  - Cancellation occurs 11 to 30 days prior to trip date
    20% Cancellation Fee, 80% Trip Credit
  
  - Cancellation occurs 31 or more days prior to trip date
    20% Cancellation Fee, 80% Refund

- **Cancellation fees, trip credits, and refunds are calculated only on actual money amounts paid to Whitewater Voyages toward the cancelled trip space.** Expenses incurred in association with your planned trip, or monies paid to other vendors/facilities in connection with your cancelled trip, are not the responsibility or liability of Whitewater Voyages. Any refunds issued are done so in the same method that the client payment was originally submitted to Whitewater Voyages.

- **Persons may be substituted within a reservation without penalty.**

- **In lieu of cancellation, a change in trip dates, or river choice, will be accommodated** (pending space availability on your alternate trip choice) **without penalty if:**
  
  1) The change occurs 14 or more days prior to the originally booked trip date. If the change occurs less than 14 days prior to the original trip date booked, there may be a processing fee of $15 per person, up to a maximum total charge of $60 per reservation.
  
  2) The change does not result in cancellation of the originally booked trip for other clients due to the trip falling below the minimum number of persons required to run a trip. A change that causes cancellation of the original trip for other clients is treated as a cancellation and the above cancellation fees apply.

- **We regret that exceptions cannot be made for personal emergencies or illness. For this reason we urge our guests to purchase trip cancellation insurance.** Trip cancellation insurance is available through Travel Insured International, Inc., 800-243-3174.
