

Whitewater Voyages' River Park Campground (nicknamed BP)

Camping is complimentary for our rafting guests for up to two nights (the night before and/or after your rafting trip); there is a fee of \$8.00 per night/per person for non-rafting guests. Additional nights may be reserved, pending availability of space, for a fee of \$8.00 per night/per person. All camping must be reserved in advance.

- **Camping sites are available at 5:00 p.m. on your date of arrival. Departure Time is 1:00 p.m.**
 - Please clear your campsite by 10:00 a.m. if you are rafting on your departure date; If you are not rafting on the day of departure you may occupy your site until 1:00 p.m.
 - You are not required to leave the campground upon vacating your camp site—you may stay and enjoy activities in the camp or hang out down by the river. But we do ask that you pack and empty your camp site by 1:00 p.m. on your scheduled departure day.

- **Camping assignments are posted on the whiteboard to the left of the trip check-in canopy.**
 - We are pleased to provide complimentary camping to our rafting guests...but doing so requires that the cost of administration be kept to a minimum—to that end **it is not possible to accommodate requests for specific campsites**. Campsite assignments are made by the camp manager in accordance with the total needs of all trips, clientele and logistics.

- **An attendant is on duty Thursday-Saturday from 5:00 p.m. to 8:00 p.m. to assist arriving campers.** If you arrive prior to 5:00 p.m. or after 8:00 p.m. you will need to find a roaming guide that can help point the way to your campsite.

- **Tents and sleeping bags are available for rent. Rentals should be arranged in advanced of arrival.**
 - Tent rental fee: \$15 for one night / \$20 for two nights
 - Sleeping bag rental fee: \$10 for one night / \$15 for two nights

- **Cars are not allowed beyond the main parking area**—but there are hand-wagons available for transporting your camping gear to your site. **The campground can be extremely dark so please bring flashlights.**

- There is a store on the property where you can purchase ice, beverages, snacks, ice cream, t-shirts, hats, water shoes, disposable water cameras, sunscreen, inexpensive sunglasses and chums. There are about a half-dozen small restaurants in close proximity to our campground.

- **Fires are prohibited for most of the season—but propane stoves are allowed.**

Pets

We dearly love animals...but regretfully cannot allow them in the campground. Some people are frightened of dogs and some are allergic. Besides, it's unfair to your pet to be tied up while you're on the river...and our insurance prohibits pets on the property.

Restroom Facilities

There is a conventional, though small, restroom with separate facilities for men and women that each have two flush toilets and three showers with solar heated water. There are also a few portable toilets on the property. Please forgive us for discussing this delicate matter...but our septic system is sensitive...we ask that you help us keep it operating by flushing only small amounts of toilet paper. Please feel free to flush multiple times if necessary bearing in mind that a large amounts of toilet paper clogs the system making the restrooms unusable for everyone!

Thank you for rafting with us and enjoy your stay in our campground!
